A stolen lottery ticket gave a surprise £1,000 boost to an amateur soccer team struck by tragedy. Three youngsters from Farnworth Boys FC were killed in a crash after a game two weeks ago, and when Bolton Wanderers FC got back a bundle of stolen lottery tickets, one with an unclaimed £1,000 cash prize, they decided to hand over the money to the club. Picture shows Wanderers chairman Neal Riley (centre) handing over the cheque to club officials Marilyn Bond (treasurer) and John Burke (chairman) at Burnden Park on Saturday.

YOU CAN'T beat a good old fashioned local derby match and Bury's successful promotion campaign last season has brought our clubs together again for a couple of, what we all hope, will prove exciting League tussles.

We start tonight with memories still fresh in our minds of the Manx Cup game pre-season when Graham Bell's goal gave us a narrow 1-0 win

Considering it was pre-season, I thought that was a good game for the fans to watch, whetting the appetite for our two League meetings.

Martin Dobson has got a good side together. They play with lots of confidence, typical of a side that has just won promotion.

Like ourselves they have been hit by injuries and suspensions early in the season but many of those problems have been resolved now and we look forward to two full strength sides pitting their wits and providing good Bank Holiday entertainment tonight.

We'll be looking for a repeat of our Manx Cup win, of course, and judging by our performances in our previous two home games, I'm certainly preparing for the game in optimistic mood.

There is always room for improvement, of course, but I think our games against Rotherham in the League and Stockport in the Milk Cup gave the fans a lot to talk about and a lot to encourage them.

I'm looking for more consistency, obviously, but I must say I was pleased with the way we went out and did our job competently against Rotherham.

Against Stockport it took us until the last 10 minutes of the first half to show any sort of urgency. After that we settled down into a rhythm, created a lot of chances and played some excellent football.

It's pleasing to see goals go in and I was delighted for Asa Hartford and David Cross that they opened their accounts against Stockport. We scored quality goals too, with the third coming from Graham Bell after a tremendous 9 - man passing movement.

All in all we have had a bright start to the season and what has been extra pleasing is the way the youngsters have started off.

Our 'A' team deserve a pat on the back for their 3 - 3 draw against a star studded Everton side in their opening game. They were up against a team full of big names which wouldn't have been out of place in Second Division football.

Our coach Steve Carroll seems to have got the lads playing well for each other and enjoying their football.

But after that good start it's important they keep their feet on the ground and show that they are capable of doing well week in and week out

BURY

BURY BACK AFTER FIVE YEARS

By Tony Pullein

Former Bolton player Martin Dobson achieved the first success of his managerial career when he led Bury to promotion from the Fourth Division last season. He took over at Gigg Lane towards the end of the 1983/84 season and lost no time in knocking the Shakers into a promotion-winning side.

They remained among the leaders throughout last season and made sure of going up with three games still to play. Though they collected only one point from those closing three matches, and dropped to fourth place, they still finished seven points in front of the next club Hereford.

Mr Dobson made several new signings during the summer, one of them — defender Peter Valentine — from Bolton. Defender Lee Dixon was signed from Chester with goalkeeper Phil Hughes coming from Leeds.

Bury built a very impressive away record as they went for promotion last term, winning at Chester (3-2), Exeter (2-0), Aldershot (1-0), Northampton (1-0), Mansfield (2-0), Peterborough (4-1), Hartlepool (1-0), Chesterfield (1-0), and Torquay (2-0), and drew at Darlington (1-1), Blackpool (0-0), Rochdale (1-1), Scunthorpe (2-2), Southend (3-3), and Port Vale (0-0).

The Shakers were beaten Stockport (0-2), Wrexham (0-3), Halifax (1-4), Colchester (0-1), Hereford (3-5), Swindon (0-1), Crewe (0-1), and Tranmere (2-3).

They made a spirited come-back in their opening match of the current campaign, away to last season's Fourth Division Champions Chesterfield. Bury recovered from a 1-3 deficit to level the scores at 3-3 on the hour mark, only to lose the match eventually by 3-4.

With Craig Madden and John Kerr teaming up in attack, Bury are again placing the emphasis very much on attack. Kerr, a former top scorer with Tranmere, scored twice in the Chesterfield game and Madden

hopes soon to be adding to the 130 or so goals he has scored for the club over the past seven years.

Bury's aim this season will be to consolidate their Third Division status — following their five year spell in Division Four — and plan for a later climb into higher circles.

There was a time, of course, when Bury were one of the country's most successful clubs, winning the F.A. Cup on two occasions.

The club was founded in 1885 and won election to the Second Division of the Football League in 1894. It took them only two years to win a place in Division One and go into what was to be their most successful era.

In 1900 they thrashed Southampton 4-0 in the F.A. Cup final but, when they appeared in the final again three years later, they performed even better — running up the record F.A. Cup final victory of 6-0 over Derby County.

They lost their First Division place in 1912 but regained a place at the top again in 1924. That last spell of First Division football lasted for five years and they remained a Second Division club until 1957 when they dropped into the Third Division for the first time.

Bury later enjoyed two further runs in Division two but left that section for the last time in 1969. Two years later they fell into Division Four and, though they jumped back into Division Three in 1974, they were relegated once more in 1980.

Though Bury have been confined to the lower divisions in recent times, they did enjoy a run to the league Cup semi-final in 1963.

DAVID BROWN (Goalkeeper)

David began his career with Middlesbrough, getting his chance in their League eleven in 1977/78. When he lost his place the following season, he spent loan periods with Torquay and Plymouth and then joined Oxford United for £40,000. Bury signed him

in 1981 and he was ever-present in their promotion-winning side last season.

PHILLIP HUGHES (Goalkeeper)

Phillip, who joined Bury from Leeds this summer, is a former N. Ireland youth international who began his career with Manchester United. Though he played in United's F.A. Youth Cup winning side of 1982, he didn't come into contention for a first-team place at Old Trafford. After transferring to Leeds, he got his chance in League football two seasons ago.

LEE DIXON (Defender)

Lee is another close-season arrival at Gigg Lane. He was with Burnley when he made his league debut in 1982/83 but he made only four appearances for the Clarets before moving on to Chester in 1984. He quickly established himself in their senior side and remained in the squad until the end of last season.

PETER VALENTINE (Defender)

Peter needs little introduction at Burnden Park for he was a Bolton player for the past two seasons before joining Bury this summer. He developed in Huddersfield's junior team, rising to their League eleven in 1981/82.

TREVOR ROSS (Defender)

Trevor was a midfield player in his early days with Arsenal. He made well over 50 appearances in the Gunners' First Division side and was transferred to Everton for £150,000 in 1978. He remained at Goodison Park for just over four years and then joined AEK Athens in a £183,000 deal. When he returned to England he joined Sheffield United for a brief period until linking with Bury in the summer of 1984.

BACK ROW: M. Dobson (Player Manager), A. Hill, J. Kerr, P. Hughes, J. Bramhall, D. Brown, P. Valentine, T. Ross, F. Casper (Ass. Manager), W. McGuinness (Coach).
FRONT ROW: K. Young, C. Madden, W. White, J. Jakub, L. Dixon, C. Grimshaw, G. Buckley, T. Pashley.

JOHN BRAMHALL (Defender).

John established himself in League football with Tranmere Rovers and made more than 150 League appearances for the Prenton Park club. Bury signed him in 1982 and he has been a fixture in their defence since then.

TERRY PASHLEY (Defender).

Terry served his apprenticeship with Burnley and made 18 League appearances before joining Blackpool for £30,000 in 1978. He held his place in the Tangerines' side for five seasons and then moved on to Bury.

GARY BUCKLEY (Midfield).

Gary got only occasional outings in Manchester City's first team and it was after joining Preston for £30,000 in 1982 that he established himself in League football. Bury signed him in 1983.

MARTIN DOBSON (Midfield)

Martin is Bury's player-manager. He commenced his career here at Burnden Park where he was a reserve player. Burnley signed him in 1967

and during his seven highly successful seasons at Turf Moor he was capped five times by England. In 1974 he moved on to Everton for £300,000 and he remained in the Toffees' side for five years until returning to Burnley. He spent a further five years at Turf Moor and moved on to Bury shortly before the end of 1983/84. Martin scored one of Bury's goals in their 3-4 defeat at Chesterfield on the opening day of the season.

KEVIN YOUNG (Midfield).

Yet another former Burnley player, Kevin made his League breakthrough with the Clarets in 1979 and went on to make around 150 senior appearances for the club. After loan spells with Port Vale and Torquay during the 1983/84 season, he moved on to Bury in the 1984 close-season.

JOE JAKUB (Midfield).

Joe spent his apprenticeship days with Burnley, turning professional in November 1973. He made 42 League appearances for the Clarets and it was in 1980 when he moved on to Bury. He has since made well over

200 League appearances for the Shakers.

CRAIG MADDEN (Forward).

Craig has been Bury's leading scorer for four of the past six seasons. He was signed from Northern Nomads and first played League football in 1977/78. In 1981/82 he was the Football League's top scorer with 42 League and Cup goals and last season he banged home 24.

JOHN KERR (Forward).

John, who joined Bury from Stockport towards the end of last season, opened the season in fine form with two goals in their opening match at Chesterfield. He learned his scoring art with Tranmere, marking his League debut with a goal against Oxford in 1979. Bristol City signed him in 1983 but he did not stay long at Ashton Gate before moving on to Stockport.

WINSTON WHITE (Forward).

Winston's first club was Leicester City but he made only about a dozen League appearances for them. It was after transferring to Hereford in 1979 that he earned a regular game at League level and he joined Bury in 1983.

CLUB NEWS

We welcome our near neighbours Bury to Burnden Park tonight for their first visit in League football since August 1968 and for the first third division game between the two sides.

All of the previous 46 League meetings have taken place in the top two divisions with the Wanderers having won 19 to Bury's 18. The first League meeting took place at Gigg Lane in September 1895 in what was Bury's first ever first division game there. The Wanderers ran out 3-0 winners with goals from McGeachan, Brown and Paton.

Bury gained revenge a month later when they made their first League visit to Burnden. A crowd of 8,000 saw Joyce put Bolton one up before Henderson and Barton gave the Shakers a half time lead. Davies equalised for the Wanderers but further goals from Plant and former Wanderer, Barbour, gave Bury a 4-2 win.

Prior to these games the clubs met regularly in friendlies and County Palatine League matches but one match worth mentioning took place in a second round Lancashire Cup tie at Gigg Lane in March 1893. The tremendous rivalry between the two clubs had attracted 16,000 spectators to a ground which should have only held 12,000 as there was no safety measures in those days. Bolton held a 3-0 interval lead and the crowd began encroaching on to the pitch. A purely accidental kick by Bolton's Turner on Wilkinson led to a spectator running on and taking the law into his own hands by kicking Turner. Others followed and the 13 policemen present were unable to restore order leaving the referee no alternative but to abandon the game with Bolton leading 3-1.

The Lancashire F.A. ordered a replay at Burnden which the Wanderers won 1-0 thanks to a Dickenson goal.

The last meeting in division one was in May 1929 at Gigg Lane when the home side said goodbye to the first division and have never been back since. Bolton won the F.A. Cup that year and so fielded a weakened side as Bury were already doomed to relegation. The Wanderers romped into a four goal lead with McClelland (2), Gibson and Vizard on the mark, before Davin (2) and Robbie reduced the arrears for Bury in the

last twenty minutes, Bolton holding on for a 4-3 win. The two sides that day contained some famous names:

Bolton: Gill, Jennings, Finney, Kean, Round, Thornborough, Butler, McClelland, Blackmore, Gibson, Vizard.

Bury: Harrison, Heap, F. Smith, Porter, Bullock, Finney, Robbie, Gale, J. R. Smith, Davin, Amos.

Bolton haven't won a League game at Gigg Lane in their six visits since.

The last League encounter here at Burnden took place in August 1968 at second division level. The Wanderers recorded a 2-0 victory thanks to £70,000 signing Terry Wharton setting up both goals. The first came after 8 minutes when he baffled the Bury defence to back heel the ball to send Brian Bromley clear to score. In the 76th minute his shot was only pushed out by keeper Neil Ramsbottom and Roy Greaves nipped in to force the ball home for Bolton's 500th second division goal at Burnden.

Bury's best effort came from former Wanderer Ray Parry, whose shot rattled the bar. A crowd of 16,386 saw the following sides:

Bolton: Hopkinson, Ritson, Farrimond, Williams, Hulme, D. Hatton, Wharton, Hill, Greaves, Bromley, Taylor. Sub. Lennard.

Bury: Ramsbottom, Parnell, Tinney, Turner, Anderson, Lindsay, Claxton, Collins, Jones, Kerr, Parry. Sub. Robertson.

Incidentally the same day Bury reserves lost 3-1 at West Brom where one Asa Hartford scored twice for the home side and also missed a penalty.

The last League game between the clubs was in March 1969 at Gigg Lane when both clubs were struggling near the foot of the second division table.

Gareth Williams, later to play for Bury, put Bolton in front after 12 minutes with a lob from the edge of the penalty area that went in off a post.

Roy Hughes equalised for Bury after 25 minutes with a header and George Jones struck the winner in the 79th minute to register Bury's first win of the year and extend Bolton's poor run to three months without a League win.

In the F.A. Cup we have been drawn together on four occasions, in 1895, 1896, 1922 and 1960, the Wanderers winning through each time, the last after a replay in extra time.

Earlier this month Bury visited Burnden in a Lancashire Cup tie when the Wanderers won 1-0 thanks to a Graham Bell goal although that result will count for nothing tonight.

Our League record against the Shakers is as follows:

	Pl	W	D	L	F	A
Home	23	13	4	6	41	30
AWAY	23	6	5	12	35	40
Total	46	19	9	18	76	70

Down memory lane

15 years ago — 24th August 1970: Bolton travelled to the south coast to face Portsmouth and after two home wins were brought back down to earth with a 4-0 defeat.

Albert McCann opened the scoring after only a minutes play, although John Byrom almost equalised seconds later, his header skimming the bar.

In the opening minutes of the second half, with the Wanderers down to ten men, John Ritson being off injured at the time, Ray Hiron fired home Portsmouth's second. Charlie Hurley came on to replace Ritson, who was to be out six weeks, but the nearest Bolton came to scoring was when Gareth Williams hit the post. Ray Hiron and Nicky Jennings completed the scoring, the last goal coming in injury time.

During the week John Byrom was taken off the transfer list at his own request and John Manning turned down a move to Rotherham United after terms had been agreed between the clubs.

31st August 1970: Queens Park Rangers were the visitors to Burnden and attracted a crowd of 10,940 who were hoping to see plenty of goals after the previous seasons ten goal thriller.

The first half was goless but on the hour Rangers were awarded a penalty kick for handball by Roy Greaves. Terry Venables, now manager at Barcelona, stepped up to take the kick and Alan Boswell saved. The referee ordered a retake, ruling that Boswell had moved too soon, Venables made sure at the second attempt. Four minutes later Venables put Rangers two up with a 25 yard free kick and it appeared that Bolton were on their way to defeat.

Gareth Williams pulled a goal back almost immediately and Terry Wharton squared it up at 2-2 when he converted a 78th minute penalty, awarded for a foul on Roy Greaves.

Wanderers full back Syd Farrimond found his way into the referees notebook by catching the ball cleanly to prevent a Rangers attack much to the crowds amusement.

10 years ago — 30th August 1975: The Wanderers travelled to York City still looking for their first win of the season. It was to be the turning point, for after a 2-1 win they didn't lose another league game until the end of November.

All the Jones'es found their way onto the scoresheet. Firstly it was Chris who gave York the lead after six minutes, Paul headed the equaliser in the 61st minute and Garry hit the winner six minutes from time.

Garry Jones was promised a fiver from manager Ian Greaves if he scored the following week against Southampton at Burnden after finding the net in two consecutive games.

5 Years ago — 26th August 1980: Bolton entertained Crystal Palace in the 2nd round of the League Cup. Unfortunately it was an evening to forget as the Wanderers crashed 3-0, with Brian Kidd seeing his 24th minute penalty kick saved by Paul Baron and leaving the Wanderers a hill to climb in the second leg a week later.

30th August 1980: A goal after 12 minutes was enough to send Bolton to defeat at Derby County despite playing some excellent football in an exciting game. The only goal came when Dave Swindlehurst received the ball from a freak rebound in the Bolton defence to shoot home past the helpless Dennis Peacock.

IN RESERVE

The Wanderers reserves completed their pre season schedule in disappointing fashion, losing 6-1 at Oswestry Town. A number of players were suffering from a virus but Oswestry played very well on the evening that saw them six goals up after 78 minutes before Daryl McArthy netted Bolton's goal six minutes from time.

The A team opened the season in fine fashion by drawing 3-3 at Everton who fielded a strong side.

TONY'S MILESTONE

Tony Caldwell struck the Wanderers 250th Third Division goal against Rotherham on the opening day of the season. Remember it was also Caldwell who grabbed the clubs 300th League goal on Burnden, strangely enough, also against Rotherham last season.

PROGRAMME WINNER

The prize of two season tickets for life offered in the programme against Rotherham as part of Burnden's 90th birthday was won by keen Wanderers follower Roy Stott of Lee Road, Westhoughton. It was his programme that contained the autograph of Charlie Wright and Roy will be presented with his prize for this season before tonights game.

JUNIOR WHITES NEWS

Tonight's mascot is Andrew Wardle who is 10 years old. Andrew attends Pikes Lane Junior school and is about the start his final year there and will be trying to get into the school team. His favourite player is Sam Allardyce.

A reminder that the first Junior Whites meeting of the new season will take place on Monday September 9th in the Executive Club here at Burnden commencing at 6.30 p.m.

MARATHON DAY

A number of members of the Burnden Lifeline running group will again be tackling the Bolton marathon this coming Sunday.

The Route is the same as in previous years and takes in the now famous 'Plodder Lane'. So, if you are one of the many thousands who cheer the runners around the 26.2 mile course, keep your eyes open for the Bolton runners who will be sporting their familiar blue vests.

The running group meet here at Burnden every Monday evening commencing at 7.00 p.m. and any new members whether complete beginners or experienced runners can join in on various training distances.

RUGBY RETURNS

Rugby League returns to Burnden Park this coming Friday evening when Swinton entertain St Helens in a First Division game. Swinton are still awaiting repairs to be completed at their Station Road ground and are planning to play four of their games at Burnden this season.

Swinton won the second division championship last term including a win over Sheffield Eagle which took place here, whilst St Helens were the premiership winners.

The game was originally scheduled for next Sunday but was switched due to the marathon which takes place on the same day.

GUEST SPOT

MARTIN DOBSON — Manager of Bury F.C.

I DON'T think anyone will argue if tonight's game against Bury proves as entertaining as our meeting in the Manx Cup the other week and I won't be complaining if we manage the same result.

I've got a special interest in the game because of my Burnley connections since so many of the Bury players were at Turf Moor while I was there.

I played in the first team with Lee Dixon, for instance and Terry Pashley, Joe Jakub and Kevin Young were all there. And, of course, Martin Dobson.

"Dobbo" has done a good job since taking over as player-manager with Bury. Many of the players have been together for a couple of seasons now and they play well as a team. I think Bury are going to prove a difficult side to beat in the Third Division this season.

And "Dobbo" must take the credit. It doesn't surprise me that he's got his players doing well for him. I've always had a high regard for him as a leader. He has always led by example on the pitch and that's something that rubs off on the lads he plays alongside.

Being at Burnley since my schooldays, I was a little apprehensive when I arrived at Burnden Park. I had never moved clubs before and while people like Asa Hartford and David Cross take that sort of thing in their stride, it was very strange for me.

But I was accepted so well by the players who were

here already that I had settled in within a week.

I must admit I was upset about missing the first game through injury and watching from the stand I was really frustrated because we played much better than the 1-1 scoreline would suggest. I think a fairer reflection on the game would have been 3-1.

Getting back into action against Stockport was pleasing, although our first half performance is best forgotten.

I don't now why we played so badly in that first half and I really can't explain why the second was so different. Perhaps it had something to do with personal pride, or it was a reaction to the manager having a real go at us at half time.

In any event we gritted our teeth and did a good professional job. We played with a lot of style in the second half. Asa was a big influence in midfield and I was pleased for him and for David Cross that they got their first goals for the club.

It's funny, but I really thought Crossie played very well against Rotherham and I'd say that he more than anyone else deserved a goal. It was smashing to see him get his two in midweek.

Hopefully we can carry on where we left off in the Cup and turn in that sort of performance for 90 minutes in every game from now on.

DEREK SCOTT hopes for a repeat performance

KICK OFF THE SEASON AND TEAM UP WITH TOP SCORE

BRITAIN'S BRIGHTEST NEW SOCCER POOL

WHAT IS "TOP SCORE" (6 from 49) POOL?

"Top Score" is a National Football Pools Competition organised by the English, Scottish and Welsh Clubs (Bolton Wanderers F.C. are a Main Agent and Shareholder of the Company). Its aims are to provide a value-for-money Competition in which the Public can participate each week with an opportunity of winning a share of the targeted £600,000 weekly prize money with a possible first prize of £250,000. All the profits will go back to Football.

HOW DOES "TOP SCORE" (6 from 49) WORK?

The aim of "Top Score" is to select the six individual highest scoring teams on the coupon. "Top Score" is a brand new football pool. Instead of picking score draws, you back your own hunches to find the top six scoring teams from the 49 on the coupon. Choose them correctly — you could hit the jackpot "Top Score" is everything you like about the pools — including the money. Every Saturday there's thousands of pounds to be won and there's a 1st, 2nd and 3rd dividend to play for.

"TOP SCORE" IS EASY — THE 1 MINUTE COUPON

You won't find an easier, simpler, quicker coupon to complete than "Top Score". Just identify your top scoring six, pop your crosses in the right box using a blue or black pen, fill in your name and address and we will arrange collection of your coupon and money. IT'S THAT SIMPLE.

HOW MUCH WILL IT COST?

Each line is 25p, the minimum amount you can place on the coupon is 50p. There will also be a column on the coupon for small perms.

AN OPEN INVITATION TO SECRETARIES OF LOCAL SPORTS ORGANISATIONS

The running costs of local sports organisations increase yearly. Contact the Commercial Office at Burnden Park and we will explain to you how simple it will be to increase your revenue by £1,000 a year.
